COMPANY PROFILE

Home and Office Interior Designer

LETTER OF INTRODUCTION

In an adequate social infrastructure induced stifled environment such as ours, interior designing goes beyond just the provision of furniture, window / wall treatment and other décor accessories.

Beyond the function of overall aesthetic appeals of space cosmetics, everyone without doubt desires the perfect ambience in the living, working and recreational environments to promote quality relaxation besides the enhancement of effectiveness and efficiency.

MEV Designs is meant to meet these ideal requirements.

With our requisite expertise touch, we can breathe life into your space or revive your boring home and office environments by adding sparkling glow to them while putting the therapeutic and eco effects in perspective.

Our products are cost effective; what is more in addition to our excellent after sales service, we also offer a one year warranty but our product will surely give years of excellent service.

A trial order will be most gratefully received or we will be glad to offer a presentation of our products and services on an absolutely no obligation basis.

Truly yours,
For: **MEV Designs Limited.**

ABOUT US

MEV Designs Limited was originally registered as M & E Ventures in the year 1998 with interior designs and décor as its core business. The establishment of M & E Ventures was inspired by the understanding of the resultant effect of the environment on the physical, mental, social and spiritual dynamism of life.

M&E Ventures conceived as an ideal and nurtured on passion and pursuit of excellence became incorporated as **MEV Designs Limited** owing to the ever increasing volume and value of its business responsibilities.

The ownership of **MEV Designs Limited** is wholly by Nigerians of enviable pedigree in training, exposure and integrity to project its uniqueness. With a background in designing, finishing, renewal, remodeling and accessorizing of living and corporate environments over the years, we have built a database of the interior designs industry through which we offer consultancy services to individuals / corporate bodies on the only hand and stake holders.

Besides our strength in the art of designs and décor, our knowledge of light therapy forms the basis of our profound skills. We are home to the casual, contemporary, traditional and electric in décor design style options.

MEV Designs Limited is in technical partnership with reputable firms of global presence to enhance its international operations hence its innovating pedigree in the interior business community.

Our corporate objective is to deliver cost effective services and enhance access to durable interior décor products that transcend beauty but therapeutic in function and eco-friendly. **MEV Designs Limited** caters to individual and corporate needs making environments relieving and exciting.

Our products are sourced from unique locales around the world. To keep the products in good shapes, we offer maintenance services after installation and repairs. The affordability of our products is the icing on the cake.

FEATURES

- ✓ Various fabric
- ✓ Image & Pattern Styles Customizable
- ✓ Liner friendly to control light and enhance privacy
- ✓ Exotic array of Colours
- ✓ Unique Materials

BEDROOM MAKE-OVERS

Bedrooms are unarguably the most intimate part of a home and the most privacy prone. There is more to furnishing a bedroom than just buying curtains, blinds, beddings, wardrobes, dressing table, bed frame and other bedroom furnishings.

An ideal bedroom should exude the ambience that enhances quality relaxation, sleep and ultimately therapeutic inspiration. At MEV Designs, the desired mood, size of the room and economics of the designs are put in perspective before furnishing a bedroom.

DOOR DESIGN/SUPPLY

Beyond their basic functions of acoustic values and security provisions, Doors, give personality to home. While most home owners concentrate on the above functions, aesthetics are often relegated. At MEV Designs we don't provide doors that have complementary aesthetic appeals with your homes / offices décor in exclusion of the core considerations of security and acoustics.

We provide panel doors, Decorative doors (children's), Flush doors, Bullet proof doors and bi-fold doors in different designs and at different prices.

VERTICAL BLINDS

As the name implies, they are vertical, they have great sophistication and a wide spectrum of elegant shades.

They are the preferable choice for sliding patio doors and large windows. MEV Designs offers a great selection of vertical blinds at discount prices.

FEATURES

- ✓ Versatility
- ✓ Variety of shades – polyester and fiber glass, vinyl and PVC
- ✓ Available in three widths of 55mm, 87mm, and 127mm
- ✓ Non-shrinkable fabric
- ✓ Dry cleanable
- ✓ Flame retardant fabrics available
- ✓ Privacy and light control mechanism

VENETIAN BLINDS

They are made of high quality material and are horizontal slats. Besides their strong eye appeals, their durability and ease of operation cannot be over emphasized. They are customizable in finishes and exotic colours and easily the widest range among blinds.

FEATURES

- ✓ Dirt resistant
- ✓ Easy cleaning
- ✓ Easy maintenance
- ✓ Two control systems, electronic and manual
- ✓ Durable
- ✓ Thermal proof
- ✓ Great opaque quality
- ✓ Ventilating and glare controls
- ✓ Available in three louvers widths of 16mm, 25mm, and 50mm
- ✓ Can be personalized with company's logo.

SPACE PARTITIONING

For space maximization, efficiency and effectiveness promotion, MEV Designs offers space partition design options with the security, privacy and functional goal of the space in perspective.

VARIETY OF SPACE PARTITIONS.

- ✓ The Plane Glass
- ✓ The Frosted Glass
- ✓ The Double Glazed
- ✓ The Plaster Board
- ✓ Aco Board

KITCHEN DESIGNS

Modern kitchens are not just food rooms, they now serve other functions – dining, storage, passage and socializing space, considering its multiple functions, modern kitchens designs deserve equal attention as the designs for the living and bed rooms.

Besides offering custom designs options to maximize your kitchen efficiency, MEV Designs supplies quality, economical, safe, elegant, stylish and eco-friendly cooking table tops in the form of tiles and Formica; kitchen cabinets, plate racks (single or tiered) in different colours, designs and materials – wooden, metallic, laminated etc.

ROMAN BLINDS

They are made with a fabric that collapses seamlessly into folds when raised. They add a touch of class and elegance to any domestic or corporate space. They are customizable in finishes and position of the lift cord.

FEATURES

- ✓ Non-shrinkable fabric
- ✓ Retractable in segments of 20cm in approximation
- ✓ Cost effective compared to curtains
- ✓ Washable and dry cleanable
- ✓ Easy installation
- ✓ Two operating systems viz; manual cord and chain mechanism, motorized switch and remote control
- ✓ Flexibility of placement inside or outside the recess, on the window frame or on the wall
- ✓ Horizontal rod, lining, piping, black out lining or scallops options available.
- ✓ Pretty range of fabrics in variety of colours.

ROLLER BLINDS (REMOTE CONTROL OPTION)

Besides their strong aesthetic appeals, Roller blind can make all the difference in a space from its effective and beautiful way of regulating light to giving complete privacy if required.

The simplicity of their functions and modernity of fabrics are their selling points.

FEATURES

- ✓ Optional mounting; switch and the mechanism of chain and spring operation system
- ✓ Variety of fabric options; image, plane, pattern, transparent, semi transparent, black out
- ✓ Customizable in sizes and print
- ✓ Wide range of fabric weight and thickness

WALL MAKE-OVERS

Besides their functions of providing privacy and security, walls can also add beauty and calmness to homes.

Aside the offering of wall screeding, MEV Designs helps you make your wall colour and décor choices complement the rest of your furnishings. One of the leading arts of giving homes make-over is wall papering.

Wall papers come in rolls and are place onto a wall using wall paste. They are made with delicate paper and nylon materials. With variety of colours, shades and designs ranging from plain, stripes to nature, children attractions, automobile, celebrities backgrounds, besides a price range that fits in with the economic disparities of individuals, personal taste and style will surely be met. However, they may not be suitable for all areas like bathrooms but they are removable.

CEILING MAKE-OVER

Besides the option of architectural cosmetics, they are often painted. The effect of colour on ceilings is profound, for instance, an illusion of height could be given to a low ceiling with a white paint. Though there are many ceiling treatment options, MEV Designs expertise in the area of suspended ceiling is remarkable.

BAMBOO/WOVEN WOOD BLINDS

If you are a freak for natural things, bamboo blind affords you the opportunity to customize your taste and choice and also make a statement beyond just décor. MEV Designs bamboo blinds come in either roller or flat roman style shades and dual optional placements inside or outside the recess or on the window frame.

FEATURES

- ✓ Great aesthetic power
- ✓ Comprises natural elements like bass, remain and bamboo sticks
- ✓ Acoustic natural
- ✓ Hand assembled, unique and rigorous work of art
- ✓ Customizable in designs, sizes
- ✓ Easy cleaning
- ✓ Easy maintenance
- ✓ Lining compliant

CURTAINS

Curtains are fabrics that hang from a rod or valance in tailored, balloon, scarf, ruffled, swags, pleated, tie back designs.

The style of curtains is dictated by the variables of colours, texture, designs on fabrics and the shape of space.

Besides the warmth, beauty, comfort, elegance and the homey atmosphere that trendy and simple curtains add to a space, they give the window a chic touch. MEV Designs offers you irresistible options for fabric, style and price that meet your expectations in taste, choice and class.

FEATURES

- ✓ Variety of fabrics
- ✓ Wide range of sizes
- ✓ Abundance of styles
- ✓ Nearly infinite range of images, novelty colours and items
- ✓ More accommodation in price
- ✓ Hand and machine washable, dry cleanable.

FLOORING

Besides the texture, colour and size of flooring materials which determine the space, aesthetics and the overall impression of a space, the functions, colour and traffic around the space of the floor are equally important.

From laminate, oak planking with contrasting wood insets, ceramic, vinyl to marble or granite flooring, MEV Designs offers the best options.

LAMINATE WOODEN FLOORING / PARQUET

They are synthetic flooring products with the simulating looks of hardwood, laminate tile, natural stones amongst other flooring materials.

Laminate stone and tile patterns can offer flooring elegance like tiles without the burden of grout cleaning or cracking.

FEATURES

- ✓ Impact resilience
- ✓ Exceptional quality for cost
- ✓ Variable designs
- ✓ Wide range of colour
- ✓ Easy cleaning
- ✓ No grout cleaning
- ✓ Stain repellent
- ✓ Waxing not required
- ✓ Fitting or complementing versatility
